Scene Evaluation Sheet Name:_____

Who is on your team and what are their roles?	
What are the facts that need to be covered in your scene?	
How do the facts fit into the story of plate tectonics?	
How does each part of your dance show every one of your facts?	

Analyze the parts of your dance going fact-by-fact. How does the way you show the facts give people the right idea or the wrong idea about the science?	
What can you do differently to make the dance show the facts more correctly.	
Watch another dance of this scene on the YouTube channel. How are the facts presented well? How are they presented poorly?
